School Uniform Policy

It is the policy of Higham-on-the-Hill Church of England primary School that all children wear the school's official uniform when attending school or when representing the school in an organised event outside normal school hours.

As well as being practical and smart, we believe that a sensible uniform policy will reinforce a positive learning environment as well as promote a unified school spirit and inspire a sense of pride in our school.

We respectfully ask all parents to support our school uniform policy and ensure that each child is sent to school dressed appropriately in smart attire for the day of learning ahead.
