

Collective Worship Plan 2026 – 2027 – AUTUMN TERM

A strong collective worship programme helps us to create a shared sense of purpose and belonging within our school community. Through daily worship, we offer pupils opportunities to pause, reflect, celebrate, and explore the values that guide our relationships, choices, and aspirations.

This rota is built around six core values: **Friendship, Hope, Respect, Forgiveness, Truthfulness** and **Wisdom**. These values are central to our school's ethos and help children develop as caring, responsible, and reflective members of society. Through stories, discussions, reflection, prayer, music, and moments of silence, pupils are encouraged to consider how these values can be lived out in everyday life.

Our collective worship is inclusive, invitational, and inspiring. It provides opportunities for children of all faiths and none to engage with important moral and spiritual themes, fostering understanding, empathy, and respect for others. As we journey through these values together, we aim to nurture a school community where everyone feels valued, supported, and encouraged to flourish.

May our daily worship inspire us to build strong friendships, hold on to hope, show respect, offer forgiveness, seek truthfulness, and grow in wisdom as we learn and live together.

Our vision:

Start children off on the way that they should go, and even when they are old they will not turn from it. Proverbs 22:6

Our mission:

Growing faith, challenging minds and discovering talents: at our school we have **high aspirations** for all our community to grow, **to be well rounded** and **confident** with a **strong sense of self-worth**; we teach children to **love to learn** and **learn to love, respectfully** and **inclusively**.
