Parent Code of Conduct

At our school, we are proud to be a welcoming, supportive, and inclusive community rooted in Christian values. We believe that when staff, parents, carers, and visitors work together, we create the best environment for our children to thrive.

We value the strong relationships we have with our families and appreciate your ongoing support in helping us maintain a positive and respectful atmosphere. This Code of Conduct has been developed to guide everyone in contributing to a safe and nurturing school environment.

Supporting Each Other

If you ever have a concern, we encourage you to speak directly with your child's Class Teacher, the Head Teacher, or the Chair of Governors. We are here to listen and work together to find solutions.

We also ask that parents do not approach other children to discuss incidents. If something happens that worries you, please speak to a member of staff so we can handle it appropriately.

If Things Go Wrong

We understand that sometimes emotions run high. If behaviour falls outside of this Code of Conduct, we will always aim to resolve things through respectful conversation.

However, if necessary, we may take further steps, which could include:

1. A meeting to discuss the concern.
2. A formal letter and invitation to meet.
3. A ban from the school site if behaviour continues.
4. Legal action in serious cases.

A Shared Commitment

We are grateful for your support and partnership. By working together, we can ensure our school remains a safe, respectful, and inspiring place for every child. If you ever witness behaviour that concerns you, please let us know. We are committed to handling all matters fairly and with care.

Thank you for helping us make our school a place where everyone feels valued and respected.
